Dear Mr. Lederberg:

We are getting together information about reprints which should be included in our 1946 volume of Collected Papers of the Fund. We will be much obliged for your assistance in completing our records and our collection of reprints of papers which have been published in 1946 in which aid from this Fund is acknowledged.

We should like to learn if there have been any papers resulting from the work done with the aid of the grants from this Fund and if any are contemplated. If there are any, will you please list them for us giving full bibliographic information and send us at your earliest convenience 25 reprint copies of each.

Sincerely yours,

  
R. G. Meader
